AMENDMENT NO. 9

dated October 22, 2026

to Part A and Part B of the Simplified Prospectus of the Fidelity Funds dated November 10, 2025, as amended by Amendment No. 1 dated December 4, 2025, Amendment No. 2 dated January 14, 2026, Amendment No. 3 dated February 3, 2026, Amendment No. 4 dated March 9, 2026, Amendment No. 5 dated March 31, 2026, Amendment No. 6 dated April 30, 2026, Amendment No. 7 dated July 17, 2026 and Amendment No. 8 dated August 26, 2026

(the "Simplified Prospectus")

in respect of:

Series A, B, F, F5, F8, O, Q, S5, S8 and ETF Series units of Fidelity Global Small Cap Opportunities Fund

(the "Fund")

Fidelity INVESTMENTS

The Simplified Prospectus is being amended to:

(a) provide notice to investors of the closure (also known as a "soft cap") of purchases by new investors into the mutual fund series of Fidelity Global Small Cap Opportunities Fund (the "**Fund**") and a cap on the creation of new units of the ETF series of the Fund effective after the close of business on or about December 11, 2026; and

(b) terminate the distribution reinvestment plan for the ETF series of the Fund after the issuance of 30 days' notice to relevant parties.

All capitalized terms used but not defined in this Amendment No. 9 have the respective meanings set out in the Simplified Prospectus.

AMENDMENTS TO THE SIMPLIFIED PROSPECTUS

The technical amendments to the Simplified Prospectus required to effect these amendments are set out below:

Part A

1. Purchases, switches and redemptions

The following is added as the fourth paragraph under the sub-heading "How to buy Funds" on page 61:

"**The Mutual Fund Series of Fidelity Global Small Cap Opportunities Fund will be closed to new investors and ETF Series unit creations will be capped after the close of business on or about December 11, 2026.**"

2. Optional services

The following is added as a new paragraph after the last paragraph on page 80 under the sub-heading "ETF Series Distribution Reinvestment Plan" that starts on page 79:

"Effective after the close of business on or about December 11, 2026, the Distribution Reinvestment Plan for the ETF Series units of Fidelity Global Small Cap Opportunities Fund will be terminated and cash distributions for these ETF Series units will no longer be reinvested in additional ETF Series units and instead will be made in cash."

Part B1

1. Fund profile of Fidelity Global Small Cap Opportunities Fund

Fund details

The following paragraphs are added at the end of the section entitled "Fund details" on page 121:

"**Fidelity will cap the creation of new ETF Series units of the Fund after the close of business on or about December 11, 2026. Investors in the ETF Series may continue**

to purchase and sell existing ETF Series on the exchanges where they trade, although the limited supply resulting from the cap on creations may cause the units to trade at a premium to the net asset value (NAV), and Fidelity therefore does not encourage purchases of ETF Series units. Fidelity may, in its discretion, resume accepting subscriptions for new ETF Series units of the Fund in the future.

Effective after the close of business on or about December 11, 2026, the Mutual Fund Series of the Fund will be closed to new investors. The Mutual Fund Series of the Fund will remain available to existing investors, including: (i) those with systematic purchase and exchange programs; and (ii) new purchases by any discretionary client account managed by a portfolio manager licensed to engage in discretionary trading on behalf of its clients where the Mutual Fund Series of the Fund is already held within the discretionary model portfolio or asset allocation program or other similar investment product prior to the close of business on or about December 11, 2026. Your dealer or advisor must notify us whether your account qualifies under (ii) above in order for us to process the purchase into the Mutual Fund Series of the Fund. Fidelity has made this decision in order to preserve the integrity of the investment strategy and may, in its discretion, resume accepting purchases by new investors in the future."
