Before you invest in any fund, you should consider how it would work with your other investments and your tolerance for risk.

The underlying fund uses an options-based strategy that involves specific risks, including that the underlying fund may be required to settle options at a loss at expiration and lose money. Premiums associated with writing call options may not exceed the returns that would have resulted if the underlying fund had directly invested in the securities subject to the call options. Please read the Fund's simplified prospectus for a complete description of these and other risks.

WHAT DOES THE FUND INVEST IN?

The Fund invests in Fidelity Equity Premium Yield ETF (the underlying fund), which aims to achieve income and long-term capital growth. The underlying fund invests primarily in equity securities of U.S. companies with market capitalizations generally similar to companies in the S&P 500 Index or Russell 1000 Index either directly or indirectly through investments in other underlying funds.

The underlying fund uses quantitative techniques in the construction of its equity portfolio and employs a disciplined options-based derivatives strategy designed to enhance income and mitigate overall portfolio volatility by selling (writing) call options on a large capitalization equity index, such as the S&P 500 Index. The underlying fund aims to generate income from the premiums received from purchasers of the call options.

FUND FACTS

Fidelity Equity Premium Yield ETF Fund Series B

■ HOW RISKY IS IT?

The value of the Fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund's returns change over time. This is called "volatility".

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

RISK RATING

Fidelity has rated the volatility of this Fund as **medium**.

Because this is a new Fund, the risk rating is only an estimate by Fidelity. Generally, the rating is based on how much the Fund's returns have changed from year to year. It doesn't tell you how volatile the Fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

For more information about the risk rating and specific risks that can affect the Fund's returns, see the 'What are the risks of investing in the fund?' section of the Fund's simplified prospectus.

NO GUARANTEES

Like most mutual funds, this Fund doesn't have any guarantees. You may not get back the amount of money you invest.

■ HOW HAS THE FUND PERFORMED?

This section tells you how Series B units of the Fund have performed since the date this series was created. Returns are after expenses have been deducted. These expenses reduce the Fund's returns.

YEAR-BY-YEAR RETURNS

This information will be available when this series of the Fund completes one full calendar year.

BEST AND WORST 3-MONTH RETURNS

This information will be available when this series of the Fund completes one full calendar year.

AVERAGE RETURN

This information is not available because this series of the Fund has been offered to investors for less than 12 consecutive months.

■ WHO IS THIS FUND FOR?

Investors who:

- plan to hold their investment for the medium- to long-term
- want to gain U.S. equity exposure with the potential for income and reduced portfolio volatility using an option-based derivatives strategy
- can handle the volatility of returns generally associated with equity investments and call option writing

The Fund is not an appropriate investment if you have a short-term investment horizon.

■ A WORD ABOUT TAX

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan (RRSP) or a Tax-Free Savings Account (TFSA).

Keep in mind that if you hold your fund in a non-registered account, fund distributions that are not a return of capital are included in your taxable income, whether you get them in cash or have them reinvested.

Fund distributions that are a return of capital are not included in your taxable income, but will affect your capital gains or losses on disposition.

■ HOW MUCH DOES IT COST?

The following tables show the fees and expenses you could pay to buy, own and sell Series B units of the Fund. The fees and expenses - including any commissions - can vary among the series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

1 SALES CHARGES

You may pay a sales charge when you buy Series B units of the Fund.

SALES CHARGE OPTION	WHAT YOU PAY WHEN YOU BUY YOUR UNITS		
	AS A PERCENT (%)	IN DOLLARS	HOW IT WORKS
Initial Sales Charge	0% to 5% of the amount you buy	\$0 to \$50 on every \$1,000 you buy	<ul style="list-style-type: none">• You and your representative decide on the rate.• The initial sales charge is deducted from the amount you buy. It goes to your representative's firm as a commission.

■ HOW MUCH DOES IT COST? (CONTINUED)

■ FUND EXPENSES

You don't pay these expenses directly. They affect you because they reduce the return you get on your investment.

The Fund's expenses are made up of the management fee, fixed administration fee, and operating expenses and trading costs (fund costs). The series' annual management fee is 1.40% of the series' value. The series' annual fixed administration fee will fall under one of the three tiers below, depending on the amount of Fund assets:

AMOUNT OF FUND ASSETS	ADMINISTRATION FEE	Because this series is new, its operating expenses and trading costs are not yet available.
Under \$100 Million	0.160%	
\$100 Million - \$ 1 Billion	0.150%	
Over \$ 1 Billion	0.140%	

More about the trailing commission

The trailing commission is an ongoing commission. Fidelity pays a trailing commission to all dealers, including discount brokers, for as long as you own the Fund. This is for services and advice that your representative and their firm provide to you. When these commissions are paid to discount brokers, they are for services and any tools or other assistance that your discount broker may offer.

The trailing commission is paid from the Fund's management fee and is based on the value of your investment.

TRAILING COMMISSION	
AS A PERCENT (%)	IN DOLLARS
Up to 1.000% of the value of your investment each year	\$0 to \$10.00 each year for every \$1,000 invested

■ OTHER FEES

You may have to pay other fees when you buy, hold, sell or switch units of the Fund.

FEE	WHAT YOU PAY
Short-term trading fee	If you sell/switch units within 30 days of the most recent purchase/switch into the Fund, you <i>may</i> be charged 1% of the value of those units or have your account restricted/closed. This fee goes to the Fund.
Switch fee	Your representative's firm may charge you up to 2% of the value of units you switch to another series of the Fund or another Fidelity Fund.
Fee for sizable redemptions	If you have been notified that you own a sizable percentage of a Fund, you <i>will</i> be subject to a 1% penalty of the value of the units that you sell/switch if you sell/switch your units of the Fund within 30 days of your most recent purchase/switch into the Fund. You <i>may</i> be subject to a 1% penalty of the value of the units if you fail to provide the required notice to Fidelity prior to completing a sizable redemption. This fee goes to the Fund.

■ WHAT IF I CHANGE MY MIND?

Under securities law in some provinces and territories, you have the right to:

- withdraw from an agreement to buy mutual fund securities within two business days after you receive a simplified prospectus or Fund Facts document, or
- cancel your purchase within 48 hours after you receive confirmation of the purchase.

In some provinces and territories, you also have the right to cancel a purchase, or in some jurisdictions, claim damages, if the simplified prospectus, Fund Facts document or financial statements contain a misrepresentation. You must act within the time limit set by the securities law in your province or territory.

For more information, see the securities law of your province or territory or ask a lawyer.
