\* The management fees directly payable by the ETFs are nil. The ETFs invest in underlying Fidelity ETFs that charge a direct management fee, and as a result, pay an indirect management fee. Based on the management fees and the anticipated weightings of the underlying Fidelity ETFs, it is expected that the effective, indirect management fee for Fidelity All-Canadian Equity ETF will be approximately 0.35%, Fidelity All-American Equity ETF 0.35%, and Fidelity All-International Equity ETF 0.45%. Actual indirect management fees will be reflected in the management expense ratio in addition to applicable taxes, fixed administration fees, trailing commissions, portfolio transaction costs and expenses, as applicable, of each ETF/Fund, posted semi-annually.

\*\* These are intended initial allocations. The underlying ETFs are subject to change at the discretion of the sub-advisor, subject to annual rebalancing. Portfolio weightings are disclosed in the interim and annual management reports of fund performance and in the quarterly portfolio disclosure report.

Commissions, trailing commissions, management fees, brokerage fees and expenses may be associated with investments in mutual funds and ETFs. Please read the mutual fund or ETF's prospectus, which contains detailed investment information, before investing. Fidelity All-Equity ETFs pay indirect management fees through their investments in underlying Fidelity ETFs that pay management fees and incur trading expenses (in addition to the indirect management fee, the Fidelity ETFs will also pay indirectly the operating expenses of the underlying Fidelity ETFs). Mutual funds and ETFs are not guaranteed. Their values change frequently, and investors may experience a gain or a loss. Past performance may not be repeated.

The ETF is sub-advised by Geode Capital Management, LLC.
