

Fidelity Disruption™ Funds

Disruptive innovation
is the new normal

The world changes fast.

Disruptive companies may shape what the market looks like for years to come, responding to advances in technology, emerging industries and changing consumer preferences.

In 1955, the list of the top 10 companies on the Fortune 500 was heavily concentrated in cyclical sectors, which reflect the consumer demands of the time.

Today, that mix has largely shifted with representation from several different sectors.

Top 10 Fortune 500 companies over the decades

1955	GM	Exxon Mobil	U.S. Steel	GE	Esmark	Chrysler	Armour	Gulf Oil	Mobil	DuPont
1995	GM	Ford Motor	Exxon Mobil	Walmart	AT&T	GE	IBM	Mobil	Sears	Altria Group
2020	Walmart	Amazon	Exxon Mobil	Apple	CVS Health	Berkshire Hathaway	United Health	McKesson	AT&T	Amerisource Bergen
2022	Walmart	Amazon	Apple	CVS Health	United Health	Exxon Mobil	Berkshire Hathaway	Alphabet	McKesson	Amerisource Bergen

SECTOR LEGEND	Consumer discretionary	Consumer staples	Industrials	Information technology	Financials	Health Care	Energy	Materials	Communication services
---------------	------------------------	------------------	-------------	------------------------	------------	-------------	--------	-----------	------------------------

Source: Fortune 500 public data; top 10 companies by revenues, sorted in descending order (left to right). Colours indicate the companies' sector as defined by the Global Industry Classification Standard. Companies mentioned are not necessarily holdings held by Fidelity Funds and are shown here for illustrative purposes only.

Why invest in disruptive innovation.

Financial markets may tend to underestimate how quickly existing industries can be disrupted, or the magnitude of that disruption over the longer term.

1. Capitalize on global trends	2. Match interests and financial goals	3. Gain exposure to an innovative way to invest
<ul style="list-style-type: none"> Gain the opportunity to invest in companies that are reshaping our world. Change is constant; innovation and disruption are the new normal. 	<ul style="list-style-type: none"> Opportunity for long-term capital appreciation. Targeted exposure to themes and trends; potential for added diversification to your portfolio. 	<ul style="list-style-type: none"> Gain exposure to long-term trends, values, and strategies. Using a systematic portfolio construction approach that aims to deliver repeatable results and minimize behavioural biases.

Disruption can be found in all areas of the market.

				
Disruptive Automation	Disruptive Communications	Disruptive Finance	Disruptive Medicine	Disruptive Technology
