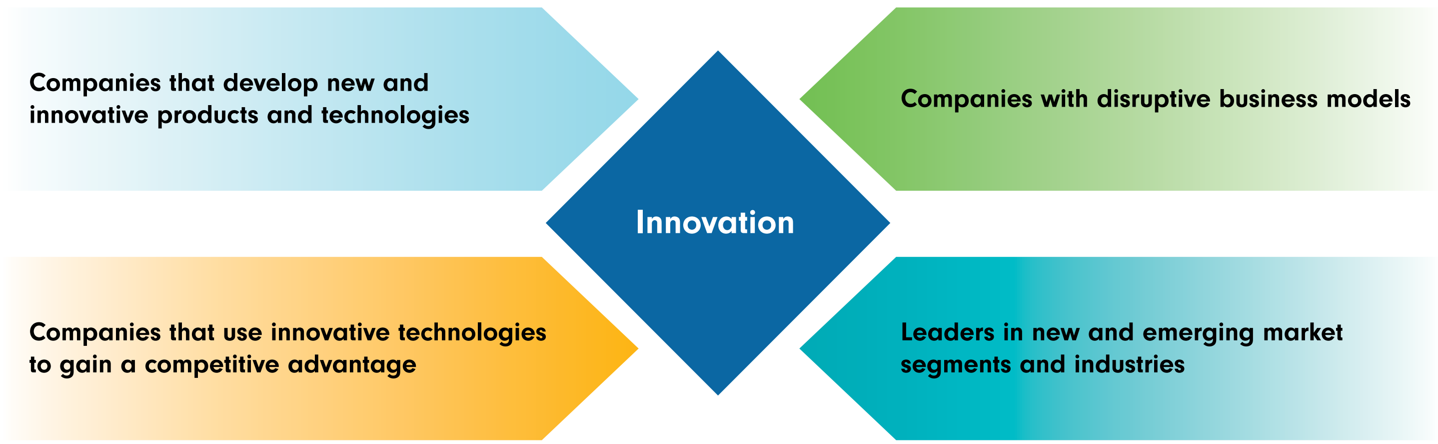
Fidelity Global Innovators® Strategy

Built for today's rapidly changing world

Fidelity Global Innovators® Strategy seeks long-term capital appreciation while investing primarily in equity securities of companies located anywhere in the world that have the potential to be disruptive innovators. The Strategy seeks to identify companies that are positioned to benefit from the application of innovative and emerging technology or that that employ innovative business models.

Strategy overview

A flexible investment strategy focused on innovative and disruptive companies in today's rapidly changing world.



For illustrative purposes only.

Why this Strategy?

Focused on disruptive innovation globally

A flexible investment strategy focused on innovative and disruptive companies in today's rapidly changing world.

Global investment network

Combining the strength of Fidelity's global research platform by seeking to invest in compelling opportunities across the globe.

Looking for positive change

Focusing on situations in which the market is underreacting to positive changes or overreacting to negative ones, creating an opportunity to earn excess returns over the long term.

Fidelity Global Innovators® Strategy

Built for today's rapidly changing world

1 As of July 2, 2021, the Fund was closed to new investors. The Fund will remain available to existing investors, including: (i) those with systematic purchase and exchange programs; and (ii) new purchases by any discretionary client account managed by a portfolio manager licensed to engage in discretionary trading on behalf of its clients where the Fund is already held within the discretionary model portfolio or asset allocation program or other similar investment product prior to July 2, 2021. Your dealer or advisor must notify us whether your account qualifies under (ii) above in order for us to process the purchase into the Fund. Fidelity has made this decision in order to preserve the integrity of the Fund.

2 Deferred sales charge options (DSC/LL/LL2) are no longer available for new purchases as of the close of business on May 31, 2022.

For more information, contact your financial advisor or visit **fidelity.ca**

Commissions, trailing commissions, management fees, brokerage fees and expenses may be associated with investments in mutual funds and ETFs. Please read the mutual fund or ETF's prospectus, which contains detailed investment information, before investing. Mutual funds and ETFs are not guaranteed. Their values change frequently, and investors may experience a gain or a loss. Past performance may not be repeated.

The NASDAQ Composite Index is the market capitalization-weighted index of approximately 3,000 common equities listed on the NASDAQ Stock Exchange.

The investment risk level indicated is required to be determined in accordance with the Canadian Securities Administrators standardized risk classification methodology, which is based on the historical volatility of a fund, as measured by the ten-year annualized standard deviation of the returns of a fund or those of a reference index, in the case of a new fund.
