

## Fidelity Investments Canada ULC Announces Estimated Special Distributions for Terminating ETFs

**TORONTO, August 30, 2024** – Fidelity Investments Canada ULC (“**Fidelity**”) today announced the estimated special reinvested distributions for Series L units of Fidelity U.S. Dividend for Rising Rates Currency Neutral ETF, Fidelity U.S. Low Volatility Currency Neutral ETF, Fidelity U.S. Momentum Currency Neutral ETF and Fidelity Total Metaverse ETF (the “**Fidelity ETFs**”). The Fidelity ETFs will be de-listed from the Toronto Stock Exchange or Cboe Canada Inc., as the case maybe, at Fidelity’s request, and terminate at the close of business on September 6, 2024.

***Please note that these are estimated amounts only, as of August 23th, 2024 and reflect forward-looking information, which means the estimates may change.***

These estimates are for the special distributions only, which will be reinvested, and the resulting units immediately consolidated, so that the number of units held by each investor will not change. These distributions will be payable prior to the terminations on September 6, 2024.

We expect to announce the final special reinvested distribution amounts on or about September 9, 2024.

### Forward-looking information

This press release contains forward-looking statements with respect to the estimated special distributions for the Fidelity ETFs. By their nature, these forward-looking statements involve risks and uncertainties that could cause the distributions to differ materially from those contemplated by the forward-looking statements. Material factors

that could cause the actual distributions to differ from the estimated distributions include, but are not limited to, the actual amounts of distributions received by the Fidelity ETFs, portfolio transactions, currency hedging transactions, and subscription and redemption activity.
