About Fidelity Investments Canada ULC

At Fidelity, our mission is to build a better future for Canadian investors and help them stay ahead. We offer investors and institutions a range of innovative and trusted investment portfolios to help them reach their financial and life goals.

As a privately-owned company, our people and world class resources are committed to doing what is right for investors and their long-term success. Our clients have entrusted us with \$185 billion in assets under management (as of April 6, 2021) and they include individuals, financial advisors, pension plans, endowments, foundations and more.

We are proud to provide investors a full range of investment solutions through mutual funds and exchange-traded funds, including domestic, international and global equity, income-oriented strategies, asset allocation solutions, managed portfolios, sustainable investing and our high net worth program. Fidelity Funds are available through a number of advice-based distribution channels including financial planners, investment dealers, banks, and insurance companies.

Read a fund's prospectus and consult your financial advisor before investing. Exchange-traded funds are not guaranteed; their values change frequently and past performance may not be repeated.

Commissions, management fees, brokerage fees and expenses may all be associated with investments in exchange-traded funds and investors may experience a gain or loss.
