

## Fidelity Advantage Ether ETF™ and ETF Fund

**Voiceover:** If you're looking for a simple and secure way to invest in crypto, let Fidelity Investments take the complication out of it.

Introducing Fidelity Advantage Ether ETF™ and ETF Fund.

Why ether? Why now?

We see potential in cryptocurrency, which, don't forget, is still in its infancy. You'll gain easy access to one of the largest cryptos in the world, and it comes to you in the form of a simple ETF or ETF fund – which means no hassles with digital keys, wallets or exchanges.

We take care of all that, and better still, it's TFSA and RRSP eligible.

Cryptocurrency may provide some diversification benefits to your portfolio.

It's potential diversification with a dynamic difference. So go with Fidelity Advantage Ether ETF™ and ETF Fund and get in on the potential of ether investing.

Fidelity Investments. Looking ahead to help you stay ahead.

Commissions, trailing commissions, management fees, brokerage fees and expenses may be associated with investments in mutual funds, asset allocation services and ETFs. Please read the mutual fund's or ETF's prospectus, which contains detailed investment information, before investing. Mutual funds and ETFs are not guaranteed. Their values change frequently. Past performance may not be repeated.

Fidelity Advantage Ether ETF™ aims to invest in ether. Fidelity Advantage Ether ETF Fund™ invests in Fidelity Advantage Ether ETF™. These funds do not speculate with regard to short-term changes in ether prices. Given the speculative nature of ether and the volatility of the ether market, there is considerable risk that these funds will not be able to meet their investment objectives. An investment in these funds is not intended as a complete investment program and is appropriate only for investors who have the capacity to absorb a loss of some or all of their investment. An investment in these funds is considered high risk.
