PURCHASER'S STATUTORY RIGHTS

Securities legislation in several of the provinces and territories gives you the right to withdraw from an agreement to buy securities within two business days after you receive a simplified prospectus or fund facts, or to cancel your purchase within 48 hours after you receive confirmation of a securities purchase. If you buy securities under a contractual plan, the time period for your right to withdraw from the purchase may be longer.

In several provinces and territories, securities law also gives you the right to cancel a purchase or, in some jurisdictions, claim damages if the simplified prospectus, annual information form, fund facts or financial statements contain a misrepresentation. You must act within the time limit set by the securities legislation in your province or territory. You can find out more by consulting the securities legislation in the province or territory or by consulting a legal advisor.
