

Fidelity Global Growth and Value Class

Great minds think differently

A combined value and growth approach that provides **diversification** across sectors, market capitalizations and regions, and offers the potential for **strong risk-adjusted returns**.

Managed by renowned portfolio managers **Will Danoff and Joel Tillinghast**, Fidelity Global Growth and Value Class now brings their complementary investment styles together to create a unique opportunity for Canadian investors.

"In many ways, **Joel Tillinghast and Will Danoff** couldn't be more different – and yet they're part of the same rare breed."

– *Barron's*

WILL DANOFF

"Even if you know how good his track record is, you are still taken aback by the brilliance of this manager."

– *Don Phillips, president of fund research at Morningstar*

JOEL TILLINGHAST

"One of the world's greatest investors"

– *SmartMoney Magazine*

WHY FIDELITY GLOBAL GROWTH AND VALUE CLASS?

- A core diversified equity strategy that seeks to invest in the most compelling opportunities across the globe.
- Provides exposure to both growth and value investment styles, as well as a range of company sizes and regions, with the aim of achieving strong risk-adjusted returns.
- Managed by two of Fidelity's most successful portfolio managers and backed by Fidelity's global research platform.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus, which contains detailed investment information, before investing. Mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated.

The investment risk level indicated is required to be determined in accordance with the Canadian Securities Administrators standardized risk classification methodology, which is based on the historical volatility of a fund, as measured by the ten-year annualized standard deviation of the returns of a fund or those of a reference index, in the case of a new fund.
