“Series O units of the Investment Trusts (other than Fidelity Global Intrinsic Value Investment Trust and Fidelity Global Growth and Value Investment Trust) and the Equity Currency Neutral Funds (other than Fidelity U.S. Dividend Currency Neutral Fund, Fidelity Global Concentrated Equity Currency Neutral Fund and Fidelity International Concentrated Equity Currency Neutral Fund) are

- (b) The second sentence in the fifth paragraph under the subheading entitled “Switching Units to another Fidelity Fund” on page 36 is deleted and replaced with the following:

4. Management of the Funds

Under the heading “Portfolio Advisers”, the portion of the table listing the portfolio managers of Fidelity Emerging Markets Fund on page 44 is deleted and replaced with the following:

Fund	Individual	Details of Experience

	Sam Polyak BBA, MBA, CFA (FMRCo)	Mr. Polyak joined the Fidelity Investments organization in 2010 as a portfolio manager. He currently co- manages two emerging market mandates available to U.S. investors. Prior to joining Fidelity, he was a co-manager at Ninth Wave Capital Management beginning in 2007. Prior to that, he was a director for OppenheimerFunds, Inc.

\*On or about September 30, 2019, Mr. Simnegar will no longer be a portfolio manager to Fidelity Emerging Markets Fund.

5. Fees and Expenses

- (a) The following is added as the fifth paragraph under the subheading entitled “Fidelity Preferred Program - Series E and P units” on page 168:

“In addition, in determining your eligibility for the Fidelity Preferred Program, we will automatically link any of your accounts, not including joint accounts or corporate accounts, for which the following information, as provided to us by your dealer, is identical: (i) your name; (ii) your address; and (iii) the dealer representative code assigned to your financial advisor. This means that if you have two or more accounts with the same dealer, provided your dealer maintains these accounts under the same dealer representative code and your name and address on these accounts is identical, they will be automatically linked by us.”

- (b) The first sentence in the first paragraph under the subheading entitled “Series O Units” on page 171 is deleted and replaced with the following:

“Series O units of the Investment Trusts (other than Fidelity Global Intrinsic Value Investment Trust and Fidelity Global Growth and Value Investment Trust) and the Equity Currency Neutral Funds (other than Fidelity U.S. Dividend Currency Neutral Fund, Fidelity Global Concentrated Equity Currency Neutral Fund and Fidelity International Concentrated Equity Currency Neutral Fund) are not available for public purchase.”

“Series O units of Fidelity Global Intrinsic Value Investment Trust and Fidelity Global Growth and Value Investment Trust are also available for purchase by the Fidelity Funds and other funds and accounts managed or advised by Fidelity. There is no management fee payable by the Fidelity Funds or such other funds with respect to these Series O units of this Fund.”

- (d) The following are added as the fifth and sixth paragraphs under the subheading entitled “Fee Reductions for the Pools” on page 172:

“To establish a Pool financial group, you and your financial advisor must complete a “Pool Account Linking Agreement Form”. This form requires you to advise your financial advisor of the accounts that qualify to be part of the Pool financial group. You are responsible for ensuring that your financial advisor is aware of all of the accounts that should be linked or listed in the Pool Account Linking Agreement Form. Only Pools are eligible for this account linking program. Note that the Pool Account Linking Agreement Form is not the same

form as the “Fidelity Preferred Program Account Linking Form”. For example, if you wish for the holdings in Funds (excluding Pools) held in accounts eligible for account-linking to count towards the Series E/P financial group’s total holdings, you and your financial advisor must complete a “Fidelity Preferred Program Account Linking Form”.

In establishing a Pool financial group, we will also automatically link any of your accounts, not including joint accounts or corporate accounts, for which the following information, as provided to us by your dealer, is identical: (i) your name; (ii) your address; (iii) and the dealer representative code assigned to your financial advisor. This means that if you have two or more accounts with the same dealer, provided your dealer maintains these accounts under the same dealer representative code and your name and address on these accounts is identical, they will be automatically linked by us.”
