

A Message to Investors

in the Fidelity Capital Structure Corp. Funds and certain Fidelity Private Investment Pools¹

We are the Independent Review Committee for the Funds and are pleased to present this annual report to investors of the Funds for the year ended November 30, 2016. All mutual funds in Canada are required to have an independent committee to advise the manager of the funds regarding conflicts of interest that arise in mutual fund management.

Fidelity Investments Canada ULC is the Manager of your investment. We are proud to be working on behalf of Fidelity Fund investors and with a company that has withstood the test of time and prides itself on its reputation for integrity, quality and performance for investors.

The members of the Independent Review Committee have a broad range of expertise which includes investment fund management, regulatory, securities trading, financial, governance and accounting.

The mandate of the Committee is to review all conflicts of interest referred to it by the Manager, including the policies and procedures the Manager proposes to manage these conflicts. The Committee provides the Manager with its recommendation on whether the Manager's policies resolve the various conflicts in a way which achieves a fair and reasonable result for the Funds.

We assess the Manager's policies and procedures no less often than once annually. We also review and report on our members' independence and compensation at least once per year.

Compensation and Indemnities

The aggregate compensation paid to the Independent Review Committee by all the mutual funds managed by the Manager to which NI 81-107 *Independent Review Committee for Investment Funds* applies for the calendar year ended December 31, 2016 was \$218,991.98. The aggregate compensation paid to the Independent Review Committee by the Funds covered in this report during the year ended November 30, 2016 was \$30,418.53. This amount is allocated among the Funds shown in Appendix A based on each Fund's net assets. Please see the annual financial statements of each Fund for the amount paid by each Fund.

No indemnities were paid to members of the Independent Review Committee by the Funds during the period.

The Manager set the initial compensation of the Independent Review Committee at the time of its initial appointment on February 23, 2007. At least annually, the Independent Review Committee reviews its compensation. In judging the appropriate level of compensation, the Independent Review Committee has considered, among other things:

- the number, size and complexity of the Fidelity Funds;
- available information on the compensation of similar committees;
- workload;
- breadth and depth of the relevant experience of its members;
- the benefits accruing to the Fidelity Funds as a result of its activity; and
- the opinion of the Manager.

In light of this review, on June 4, 2015, the Independent Review Committee approved the first increase to its compensation since 2007. The Independent Review Committee believes that the level of compensation of its members is appropriate.

Charter

The Independent Review Committee has adopted and reviews on at least an annual basis, a written charter that includes its mandate, responsibilities and functions, and the policies and procedures it will follow when performing its functions.

Conflict of Interest Matters

Policies and Procedures

During the period the Independent Review Committee has reviewed, and, where appropriate, arranged for periodic reporting on each of the following conflict of interest matters referred to it by the Manager. Its objective has been to achieve a fair and reasonable result for the Funds. It has provided the Manager with standing instructions to apply the following policies in accordance with their terms.

4 Best Execution and Fair Trading	This policy addresses the quality of execution of trades of portfolio securities or foreign exchange trades by brokers, including both 3 rd party brokers and brokers affiliated to the Manager, on behalf of the Funds.
5 Commission Uses	Fidelity places a large volume of orders to buy and sell portfolio securities on behalf of the Fidelity Funds. It has in place arrangements with the brokers that execute the trades whereby Fidelity may receive brokerage and research services or whereby the broker may rebate a portion of the commissions paid by a Fund back to the Fund. 11 Short-Term Trading	This policy governs the detection and prevention of active trading, which may be harmful to the Funds.

The Funds do not invest on a short basis, however Fidelity advises other accounts that do invest on a short basis.

Approvals

The Independent Review Committee has provided approval for the Funds to invest in securities of significant investors in a Fund as long as the Manager follows the terms of the Substantial Security Holder Policy described above and reports quarterly to the Committee on compliance with the terms of the policy.

In December 2015, the Independent Review Committee approved the following Fund merger, which was effected in February 2016:

Terminating Fund	Continuing Fund
Fidelity American Opportunities Class	Fidelity American Equity Class

In this case, the Terminating Fund merged into the Continuing Fund and holders of the Terminating Fund became holders of the Continuing Fund.

Independent Review Committee approval, rather than a positive recommendation from the Independent Review Committee, was required in order for Fidelity to complete this Fund merger without obtaining securityholder or regulatory approvals.

Conclusion

The Independent Review Committee receives periodic reports arising under the above-mentioned policies and procedures on conflict of interest matters for which it has provided standing instructions to the Manager.

During the period there were no conflict of interest matters referred to the Independent Review Committee by the Manager for which the Independent Review Committee did not give a positive recommendation and there was no instance when the Manager acted in a conflict of interest matter but did not meet a condition imposed by the Independent Review Committee in its recommendation or approval.
