Life Income Fund ("LIF")**

Fidelity Investments Retirement Income Fund RIF 1693 (the "RIF")

New Brunswick LIF

Upon receipt of the locked-in transfer Computershare Trust Company Canada (the "Trustee") further declares as follows:

Definitions

1. For the purposes of this Addendum, "Tax Act" means the *Income Tax Act* (Canada) and the Regulations thereunder, "Act" means the *Pension Benefits Act* (New Brunswick) and "Regulations" means N.B. Reg. 91-195, all as amended from time to time.
2. For the purposes of this Addendum, the words "deferred pension", "designated jurisdiction", "member", "pension", "pension benefit", "pension plan", "spouse", and "Superintendent" have the same meanings as are respectively given to these words in subsection 1(1) of the Act.
3. Notwithstanding anything to the contrary contained in the RIF and this Addendum, including any endorsements forming a part thereof, "spouse" does not include any person who is not recognized as a spouse or common-law partner for the purposes of any provision of the Tax Act respecting registered retirement income funds.

Contributions

4. The owner of the LIF (the "Annuitant") acknowledges that all of the benefits (the "Benefits") to be transferred to the LIF are pension benefits which are subject to the locking-in provisions of the Act.
5. Only money that is locked-in will be transferred to or held under the LIF.
6. No money may be transferred to the LIF except sums originating directly or indirectly from:
 - (i) the fund of a pension plan that conforms with the Act and the Regulations, or similar legislation in another jurisdiction if the Benefits are being transferred under section 36 of the Act or under a similar provision in legislation of another jurisdiction, and the Tax Act;
 - (ii) a locked-in retirement account ("LIRA") registered as a retirement savings plan that conforms with the Act and the Regulations;
 - (iii) another life income fund registered as a retirement income fund that conforms with the Act and the

Regulations; or (iv) a life or deferred life annuity under a contract that conforms with the Act, the Regulations, and the Tax Act.

7. Before accepting a transfer of Benefits into the LIF under subparagraph 36(1)(a)(ii) or subsection 36(1.1) of the Act, the Trustee shall complete the appropriate section of the prescribed transfer form and shall ensure that the Annuitant and the administrator or current trustee, as applicable, have completed the appropriate portions of same in accordance with the Regulations.

Life Annuity

8. Subject to the provisions of this Addendum, all Benefits, including investment earnings thereon (the "LIF Assets"), in whole or in part, may be converted at any time only into a life or deferred life annuity that conforms with section 23 of the Regulations.

Differentiation Based on Sex

9. If the information provided on the prescribed transfer form indicates that the commuted value of the Benefits transferred into the LIF was determined in a manner that differentiated, while the Annuitant was a member of the plan, on the basis of the Annuitant's sex, only assets that are differentiated on the same basis may subsequently be transferred into the LIF.
10. No LIF Assets shall be used to purchase a life or deferred life annuity that differentiates on the basis of sex unless the commuted value of the deferred pension transferred from the plan into the LIF was determined on transfer in a manner that differentiated, while the Annuitant was a member of the plan, on the basis of sex.

Income from LIF

11. The fiscal year of the LIF ends at midnight on December 31 of each year and will not exceed twelve months.
12. The Annuitant will be paid an income, the amount of which may vary annually, commencing not later than the last day of the second fiscal year of the LIF. The amount paid will continue until the day on which the entire balance of the LIF is converted into a life annuity.

13. The Annuitant will establish the amount of income to be paid at the beginning of each fiscal year of the LIF, or at intervals of greater than one year if the Trustee guarantees the rate of return of the LIF during each such interval and such intervals end at the end of a fiscal year of the LIF.
14. Subject to paragraphs 15, 16, & 17 of this Addendum, the amount of income paid during a fiscal year of the LIF will not be more than "M" or less than "m", where "M" and "m" are calculated using the following formulas:
- $$M = \frac{C}{F}$$
- and
- $$m = \frac{C}{H}$$
- and where
- C = the balance of the money in the LIF on the first day of the fiscal year;
- F = the value, on the first day of the fiscal year, of a guaranteed pension, the annual payment of which is one dollar payable on the first day of each fiscal year between the first day of the fiscal year and the thirty-first day of December, inclusive, of the year in which the Annuitant attains the age of ninety years; and
- H = the number of years between the first day of January of the year in which the calculation is made and the thirty-first day of December of the year in which the Annuitant attains the age of ninety years, inclusive.
15. The amount of income paid during a fiscal year will not be less than the minimum amount required to be paid under the Tax Act. In calculating "m" for the first fiscal year of the LIF, "m" shall be equal to zero.
16. If the LIF Assets are derived from assets transferred directly or indirectly during the first fiscal year of the LIF from another life income fund of the Annuitant, "M" shall be equal to zero.
17. The value of "F" shall be established at the beginning of each fiscal year using:
- (i) an interest rate of not more than 6% per year, or
 - (ii) for the first fifteen years after the date of the valuation of the LIF, an interest rate exceeding 6% per year if that rate does not exceed the interest rate obtained on long-term bonds issued by the government of Canada for the month of November preceding the calendar year in which the calculation is made, as published in the Bank of Canada Review as CANSIM Series B14013 and using an interest rate not exceeding 6% in subsequent years.

18. If the amount of income payable to an Annuitant is established under paragraph 13 of this Addendum at intervals that are greater than one year,
- (i) paragraphs 14, 15, 16 and 17 of this Addendum apply with the necessary modifications to the establishment of the amount of income payable in each fiscal year in the interval, and
 - (ii) the amount shall be established at the beginning of the first fiscal year in the interval.
19. Notwithstanding any other provision of this Addendum, the Annuitant may request that the Superintendent approve the transfer of an amount from the LIF to a registered retirement income fund as defined in the Tax Act that is not a life income fund by filing with the Superintendent documentation in the form and manner prescribed by the Regulations, and the Superintendent shall approve the transfer if:
- (i) an amount has never previously been transferred under this paragraph or under subsection 22(6.1) of the Regulations on behalf of the Annuitant, and
 - (ii) the amount to be transferred is not greater than the maximum unlocking amount, where the maximum unlocking amount is the lesser of
 - (a) three times the amount of "M" as determined under paragraph 14, and
 - (b) twenty-five per cent of the balance in the LIF on the first day of the fiscal year in which the transfer is to be made.
