**Passive Foreign Investment Company - Annual Information Statements**

Please find enclosed the Passive Foreign Investment Company (PFIC) – Annual Information Statements (AIS) that you requested.

Investors are responsible for filing individual Form 8621 (Information Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund) for all funds they hold, whether directly or indirectly, including underlying funds or ETFs.

For reporting your 2020 tax returns, please note that some recently launched Fidelity funds may have adopted a December 31st U.S. tax year end. Information for directly or indirectly held funds that were not held during the fund's current U.S. tax year will not be provided on the AIS and related Supplemental Information Statement (SIS) for current and historical tax years.

Sincerely,
