About Fidelity Investments Canada ULC

At Fidelity, our mission is to build a better future for Canadian investors and help them stay ahead. We offer investors and institutions a range of innovative and trusted investment portfolios to help them reach their financial and life goals.

As a privately-owned company, our people and world class resources are committed to doing what is right for investors and their long-term success. Our clients have entrusted us with \$163 billion in assets under management (as at November 20, 2020) and they include individuals, financial advisors, pension plans, endowments, foundations and more.

We are proud to provide investors a full range of domestic, international and global equity and income-oriented mutual funds, ETFs, asset allocation strategies, managed

portfolios, sustainable investing products and a high net worth program. Fidelity is available through a number of advice-based distribution channels including financial planners, investment dealers, banks, and insurance companies.

Read a fund's prospectus and consult your financial advisor before investing. Mutual funds, including exchange-traded funds, are not guaranteed; their values change frequently, and past performance may not be repeated. Investors will pay management fees and expenses, may pay commissions or trailing commissions and may experience a gain or loss.
