About Fidelity Investments Canada ULC

Fidelity Investments Canada ULC is one of Canada's top investment management firms managing a total of \$129 billion in mutual fund and institutional assets. This includes \$35 billion in assets for institutional clients including public and corporate defined benefit pension and defined contributions plans, sub-advised programs, endowments, foundations and other corporate assets on behalf of clients across Canada as at October 31, 2018.

Fidelity Investments Canada ULC provides Canadian investors a full range of domestic, international and income oriented mutual funds, as well as asset allocation, managed solutions, ETFs and a high net worth program. Fidelity Funds are available through a number of advice-based distribution channels including financial planners, investment dealers, banks, and insurance companies.

Read a fund's prospectus and consult your financial advisor before investing. Exchange-traded funds are not guaranteed; their values change frequently and past performance may not be repeated. Commissions, management fees, brokerage fees and expenses may all be associated with investments in exchange-traded funds and investors and may experience a gain or loss.
