

Fidelity Investments Canada ULC Announces Estimated 2020 Annual Reinvested Capital Gains Distributions for Fidelity ETFs

TORONTO, November 24, 2020 /CNW/ - Fidelity Investments Canada ULC (“Fidelity”) today announced the estimated 2020 annual reinvested capital gains distributions for Fidelity’s suite of ETFs (“Fidelity ETFs”). ***Please note that these are estimated amounts only, as of October 30, 2020, and reflect forward-looking information, which means the estimates may change.***

These estimates are for the annual capital gains distributions only, which will be reinvested, and the resulting units immediately consolidated, so that the number of units held by each investor will not change. These estimates do not include estimates of ongoing periodic cash distribution amounts, which are reported separately.

We expect to announce the annual reinvested distribution amounts, as well as the monthly cash distribution amounts, on or about December 18, 2020. The ex-dividend date for the 2020 annual distributions will be December 24, 2020. The record date for the 2020 annual distributions will be December 29, 2020 and those distributions will be payable on December 31, 2020.

The actual taxable amounts of reinvested and cash distributions for 2020, including the tax characteristics of the distributions, will be reported to the brokers through CDS Clearing and Depository Services Inc. in early 2021.
